Alumni/ae Roll Call Class Steward Workshop

On Friday and Saturday, January 28 and 29, alumni/ae representatives from each of the last fifty years will be on campus for a fund-raising workshop. These class stewards work with their classmates to generate gifts for our annual Alumni/ae Roll Call. All Roll Call gifts for 1993 and 1994 have been designated for student scholarship aid. Alumni/ae helping students is a Princeton tradition that we want to encourage. The workshop is designed to get stewards involved firsthand with the life of the campus. Many of these alumni/ae will return to Princeton for the first time since their graduations. They are committed to the Roll Call because they want to assist our current student body. They would welcome the opportunity to get to know you on an individual basis. I hope you will extend a gracious welcome to them. Seek them out, share a meal, enjoy getting to know a wonderful group of people. I know they will enjoy meeting you.

A Remembrance of Japanese and Japanese American Internment

- **19 Friday**

Miller Chapel 10:00 a.m.

On February 19, 1942, the President of the United States signed an executive order authorizing the internment of Japanese and Japanese Americans. Between 1942 and 1946, more than 120,000 Japanese and Japanese Americans, primarily from the West Coast, were forced into internment camps for an average period of three years.

In remembrance of this day, a special chapel service will be held. Gerald Arata will preach. Tiffany Nicely and Frank Yamada assist with the readings.

At 12:40 p.m. a film about the internment, *A Family Gathering*, will be shown in the Main Lounge. This film is a PBS documentary showing how internment affected one Japanese American family. Bring your lunch and view this moving film.

Come join in remembering this important day in American history.

Phone Book Recycling

On the main campus — Phone books may be recycled at the large brown dumpster located in front of the dinky station on University Place. You may also give them to the building custodians or place by any campus pay phone.

CRW residents — Old phone books should be placed in the foyer, under the shelf, of your building. The custodial/maintenance staff will then pick them up and recycle the books. Also, West Windsor Township has a brown dumpster on Alexander Road near the railroad tracks to be used for recycling phone books.

Thank you for your cooperation in this recycling effort.

Paschal Vigil

Partakers of the Promise

The Chapel Council invites you to worship at this year's Paschal Vigil. During the Easter Triduum, from sunset Thursday to sunset Sunday, we celebrate the saving events of our Lord's passion, death, and resurrection. In the development of Christian worship, each event came to be remembered on a separate day. However, in the earliest centuries, the whole of the Paschal Mystery was celebrated in an extraordinary single liturgy which began on Saturday night and continued until the dawn of what we now call Easter Day. This was known as the great Paschal (Easter) Vigil. It was the most holy and joyful night of the entire Christian Year, for it proclaimed and celebrated the whole of salvation history and Christ's saving work.

In recent times, there has been widespread interest in the recovery of this ancient First Service of Easter and in the adaptation of this original Easter celebration for modern use. The Vigil service is a passage, a procession. The scripture readings and reenactments begin with creation, move through the liberating exodus event, the proclamation of the prophets, and the victory of Christ over sin and death. The resurrection is the fulcrum of the service. In light of Christ's resurrection and in response to it, the church is born. We then remember and identify with those members of the body who have gone before, recounting the witness of apostles and remembering, acknowledging, and celebrating the ecumenical, international church. Together, all as "Partakers of the Promise," we confess our faith, baptize new members into the Body, and renew our commitment to God. The service culminates as we come to the Lord's Table, and there receive a foretaste of the heavenly banquet.

The entire worshipping community is then invited to join in a break-fast which, historically, concludes the fast of Lent.

The Paschal Vigil, as celebrated on the seminary campus, will be a creative, three-hour worship service incorporating music, drama, dance, preaching, and textile arts. It will be held on Saturday, April 2, beginning at 7:15 p.m. in the Main Campus Quadrangle. All are welcome to join in what has historically been considered the richest and most glorious occasion for worship in the entire year. Indeed, it is our hope and prayer that this service will serve to sweep each of us into holy history, challenging us anew by the Word of God and compelling us into service, strengthened with the Bread of Life and the Cup of Salvation.

Phone Book Recycling

On the main campus — Phone books may be recycled at the large brown dumpster located in front of the dinky station on University Place. You may also give them to the building custodians or place by any campus pay phone.

CRW residents — Old phone books should be placed in the foyer, under the shelf, of your building. The custodial/maintenance staff will then pick them up and recycle the books. Also, West Windsor Township has a brown dumpster on Alexander Road near the railroad tracks to be used for recycling phone books.

Thank you for your cooperation in this recycling effort.

Paschal Vigil

Partakers of the Promise

The Chapel Council invites you to worship at this year's Paschal Vigil. During the Easter Triduum, from sunset Thursday to sunset Sunday, we celebrate the saving events of our Lord's passion, death, and resurrection. In the development of Christian worship, each event came to be remembered on a separate day. However, in the earliest centuries, the whole of the Paschal Mystery was celebrated in an extraordinary single liturgy which began on Saturday night and continued until the dawn of what we now call Easter Day. This was known as the great Paschal (Easter) Vigil. It was the most holy and joyful night of the entire Christian Year, for it proclaimed and celebrated the whole of salvation history and Christ's saving work.

In recent times, there has been widespread interest in the recovery of this ancient First Service of Easter and in the adaptation of this original Easter celebration for modern use. The Vigil service is a passage, a procession. The scripture readings and reenactments begin with creation, move through the liberating exodus event, the proclamation of the prophets, and the victory of Christ over sin and death. The resurrection is the fulcrum of the service. In light of Christ's resurrection and in response to it, the church is born. We then remember and identify with those members of the body who have gone before, recounting the witness of apostles and remembering, acknowledging, and celebrating the ecumenical, international church. Together, all as "Partakers of the Promise," we confess our faith, baptize new members into the Body, and renew our commitment to God. The service culminates as we come to the Lord's Table, and there receive a foretaste of the heavenly banquet.

The entire worshipping community is then invited to join in a break-fast which, historically, concludes the fast of Lent.

The Paschal Vigil, as celebrated on the seminary campus, will be a creative, three-hour worship service incorporating music, drama, dance, preaching, and textile arts. It will be held on Saturday, April 2, beginning at 7:15 p.m. in the Main Campus Quadrangle. All are welcome to join in what has historically been considered the richest and most glorious occasion for worship in the entire year. Indeed, it is our hope and prayer that this service will serve to sweep each of us into holy history, challenging us anew by the Word of God and compelling us into service, strengthened with the Bread of Life and the Cup of Salvation.
